Cc: Andrew Andres <andrew.andres@unlv.edu>

Hello, everyone. I am forwarding the final information regarding Rebel Preview (this Saturday) below. Some notes:

- The BPB lobby will be the meeting hub. Two presentations (from Advising & Research at 9 a.m. and 10 a.m.) will be in rooms 102 and 106.
- Peer Mentors/Advisors will help students find their department tour guide in the lobby (9 a.m. and 10 a.m.). We will have tables and chairs, though I don't know what that looks like yet.
- Advising will provide tablecloths for the tables

Please also see the statement regarding stickers for the guest passports. These are just cards students collect stickers for presentations, and they are entered into a scholarship drawing.

If you have any questions, Kevin McVay and Angel Diaz will be the point of contact for the day of the event. I'll continue to be your touchpoint until then and will be available via Google Chat or my office number (5-0504).

If there are others who should be receiving this email, please forward it to them directly.

Thanks again for your partnership and participation in this event!

Meg

Hello All-

Just wanted to provide you with some additional information as we get closer to Rebel Preview. Please forward this along to any presenters you are working with. We currently have 2,400+ prospective students and guests registered for Rebel Preview. Registration will be closing on 4/17, if anyone reaches out to you to register just let me know and I will enter them on the backend of the system.

Accessibility: We will have a shuttle tent located on Pida Plaza facing BEH. Guests can pick up a golf cart from that location, we will also have the golf carts constantly rotating to pick up and drop off guests. Also, here is a list of registered needs, all sessions should be prepared for these guests and students:

- Education - we have a student that indicated vision impairment, if you can make your presenters aware and let them know they will need to speak in full detail when using a slide show.

- Hospitality and Business - we have 3 guests that indicated they need to sit up front/speaker to be louder.

Passport Stickers/Room Host: You will be assigned a member of the Enrollment Management team that will bring passport stickers to your session. They have been instructed to assist you with placing the stickers on the students passport cards as they leave the session. Your room host will arrive no later than 10 minutes prior to the start of your session.

Session Handouts: If you are able to print off any informational handouts for the students/guests that would be recommended. You are also welcome to hand out any swag at your sessions.

Building and Rooms Unlocked: I have requested that all buildings and rooms be unlocked at 7AM and to be relocked at 2PM. If you run into an issue please call or text me (number listed below).

Session Set up: If you or your presenters can please be in the assigned room at least 10 minutes prior to the session start time. If you are running late please let me know so I can let the room host know.

Computers: Most of you are in spaces you are familiar with and know they have built in computers. For those of you with sessions in the Student Union (excluding the 208 rooms) will need to bring your laptop for your presentation.

Gear Up: Gear Up will be bringing students from 6 schools which includes 2 middle schools. Wanted to make you aware as you may have these students in your sessions. #raisingrebels

Other events on campus: There are a few other events happening on campus on 4/20 and I wanted to provide you with some of that information.

- Car show in the Scarlet Parking Lot
- Athletics Build a Bed
- Pow Wow on the CHEM lawn
- Grad Admitted Rebel Day - WRI-C

If you have any additional questions or concerns please let me know. With so many events happening that day make sure you plan time to find parking. Here is my cell # if you run into any issues day of: 330-608-3162.

Thank you for your work on this event and excited for these future Rebels to be on campus!
